CFL Lighting Incentive Form

Purchase and install compact florescent light bulbs (CFLs) in your home or business and receive a $2 per bulb incentive from your local cooperative or municipal. ENERGY STAR® qualified CFLs last 10 times longer than regular incandescent bulbs. They use 75 percent less energy, saving you an average of $30 or more over their lifetime.

1. Purchse and install CFL bulbs by December 31, 2016 and receive a $2/bulb incentive.
   (must not exceed 75% of purchase price)
2. Complete this form, attach a copy of your purchase receipt and mail or return documentation to one of the participating utilites listed below. For best results ENERGY STAR qualified bulbs are recommended.
